Season 4 Intro - Transcript

Hello and welcome back to the Future of Business podcast! This is Grace Chou, and I am an MBA student at Oxford University's Saïd Business School. In this latest season, we will have rotating hosts discuss key topics with our fellow MBA classmates, who share their diverse insights and expertise in shaping the future of business when it comes to climate change, food systems, and beyond, and how the Oxford MBA plays a role in their journeys.

If you don't already, please make sure to follow Future of Business on Apple Podcasts, Spotify, or wherever you listen to podcasts, so you'll be the first to know when our first episodes of Season 4 roll out in the upcoming weeks!
