

1

00:00:10,130 --> 00:00:14,570

Welcome to the International Health and Tropical Medicine Podcast series.

2

00:00:21,810 --> 00:00:29,219

In this series, we explore some of the emerging and recurrent themes in global health with a goal to enrich our

3

00:00:29,220 --> 00:00:35,400

understanding in order to improve the ways we engage with one another in the global health space.

4

00:00:36,060 --> 00:00:42,300

The series will draw on IHTM faculty, teachers and alumni who are at the forefront of health.

5

00:00:43,110 --> 00:00:46,800

We hope the podcast will appeal to a broad audience.

6

00:00:47,850 --> 00:00:53,610

The topics we will cover in this series include decolonization, partnership and global health.

7

00:00:54,240 --> 00:01:01,710

Breaking down barriers and understanding evidence as well as the purpose of research.

8

00:01:02,670 --> 00:01:03,830

Thank you for joining us.
